

St Mark's presents ...

The Valley Men is an amateur male choir of about 20 – 24 members from the Ottawa area. They perform a varied repertoire of traditional songs, hymns, anthems and novelty numbers. Each fall since 1994, they have gone on tour, performing mostly in small rural towns throughout the Maritimes, Quebec and Ontario.

A non-profit group, they sing because they enjoy it, raising funds for various charities along the way. Do come and be entertained and have some fun too!
