

GROWING IN FAITH TOGETHER (*GIFT*)

A Five-Year Plan

To Support Exciting New Ministry

In Our Parish, Around Our Diocese And Beyond

- At our Kick-Off next Sunday, learn about the objectives of this appeal for both the parish and the diocese.
- Attend an information session with a GIFT ambassador: at someone's home, at the church, or with a visit to your home.
- Receive your personal brochure package and learn about the planned ministry projects so you can prayerfully consider your response.

Your generosity to GIFT will support new ministry and help us to achieve and even surpass our five-year goal
